

Boswellia Serrata

Discover the Ancient Secret of Boswellia Serrata

- Derived from the bark of the Boswellia Serrata tree.
- Contains a rich blend of monoterpenes, diterpenes, triterpenes, and tetracyclic triterpenic acids.
- Six potent Boswellic acids set it apart, offering remarkable pharmacological properties.

The Power of KBA and AKBA

- KBA and AKBA are the most potent anti-inflammatory compounds.
- Specifically inhibit 5-lipoxygenase (5-LOX), suppressing leukotrienes - major contributors to inflammation.
- Provides natural relief without the side effects of conventional painkillers.

Embrace Holistic Wellness

- Offers more than just impressive anti-inflammatory benefits.
- Essential oil (EO) highly sought after in fragrance and cosmetic industries.
- Potential skin advantages due to alluring aroma and therapeutic qualities.

Experience the Remarkable Benefits

- Promotes anti-inflammatory and analgesic effects.
- Aids in expectoration and provides antibacterial support.
- Effective against conditions like Osteoarthritis, Rheumatoid Arthritis, Asthma, and Inflammatory Bowel Diseases.
- Potentially prevents cartilage loss.

Meticulously Crafted for Excellence:

- Resin undergoes a meticulous extraction process.
- Graded based on flavor, color, shape, and size for the highest quality product.

Unlock Nature's Healing Properties

- Experience the transformative benefits of Boswellia Serrata.
- Say goodbye to chronic pain and inflammation.
- Cutting-edge lab techniques ensure a safe and effective product.

Seeking Natural Relief? Discover Bio Med Ingredients Boswellia Serrata!

- Uncover the Secret to Natural Relief!
- Embrace Nature's Healing Power with Boswellia Serrata!
- Say Goodbye to Discomfort - Experience the Difference!

Unlock the Secret to Well-Being:

- Tap into Ancient Healing Wisdom.
- Experience the Transformative Power of Boswellia Serrata.
- Prioritize Your Health with Bio Med Ingredients.

Embrace the Natural Solution:

- Safe, Effective & Free from Harmful Solvents.
- Cost-Effective, Affordable Relief.
- Rediscover Comfort and Freedom.

Experience the Healing Properties of Boswellia Serrata:

- Meticulously Crafted Capsules, Tablets & Powder Form.
- Precisely Measured Active Components for Optimal Results.
- Cutting-Edge Lab Techniques & Stringent Quality Control.
- Stimulate Powerful Anti-Inflammatory Responses.

SPECIFICATION

Botanical/Scientific Name:	Boswellia Serrata
CAS No.:	97952-72-2
Description:	Creamish Yellow Color Powder
Identification:	TLC
Cadmium:	Less than 0.5 PPM
Arsenic:	Less than 0.5 PPM
Lead:	Less than 1 PPM
Mercury:	Less than 0.1 PPM
Content:	AKBBA-5,10,30,90% w/w BBA-20,40,65,70,80%w/w
Microbiological profile:	As per EU food regulation
